MOLLANS RAINBOW HONESTY SHED

We would love to invite you into our rainbow inspired honesty shed situated alongside our home in North Shawbost on the West side of Lewis just off the Hebridean Way.

The shed is filled with home made treats ranging from sweets to hand knitted hats. We have fresh cakes, meringues, bread and so much more.

We also have home made luxury ice cream in the freezer and our own frozen ready meals. The fridge is filled with soft drinks and essentials like milk, cheese, butter etc. We try to make as much available as possible but we also have to balance less waste alongside availability. If you need something not in the shed please ask us and we would be happy to help where we can.

We love to help out and meet our customers so when we are home we will always offer assistance if required. If the "open" sign is illuminated then feel free to knock on the kitchen door or ring the bell situated in the Rainbow Shed. For the times we are not home there is a microwave and kettle available for you to use.
